## ACKNOWLEDGEMENT & SUPPORT BY EMPLOYER: (FOR ALL COURSES)

*The statement as below must be supported by the Human Resources Manager / Training and Development Manager / Senior Manager of the company in which the applicant is currently employed. (If the applicant is unemployed, this fact must be stated hereon; then it need not be completed.)*

### STATEMENT OF ACKNOWLEDGEMENT AND SUPPORT BY EMPLOYER'S REPRESENTATIVE:

I, the official whose full names appear below, am the Human Resources Manager/Training and Development Manager/Senior Manager in the company in which the abovenamed prospective student is employed. I understand the following:

- The programme requires regular attendance at lectures and formal assessments to be conducted throughout the programme, possibly requiring the participant to be released from duty for this purpose.
- The programme requires proficiency in the English language, the achievement of a mark in each and both of two formal examinations, and for the practical assignment, which each student will be required to complete. (The latter tests the student's ability to apply practical, advanced packaging concepts which he / she will learn during the course.) The programme furthermore imposes a fairly severe academic workload on participants – that is, it is no "walkover" academically, and this needs to be weighed up carefully in regard to their employment workload.
- I believe this student is capable of successfully completing the programme, given the above requirements, and am prepared to fully support this student's admission.
- I understand further that the student will require support from me personally, and I am prepared to provide this support and (if necessary, on occasions) time off within reason. Furthermore, the provisions in the official Programme Rules and Conduct document concerning no refund of fees has been brought to my attention.
